Stormy Grey

MGK X FKV

13.10.2023 - 03.03.2024

Bending the Curve

International artists and scientific contributions emphasise the need for a change towards regenerative art and an increased turn towards nature.

This innovative MAGNA Glaskeramik in size 1350 x 600 x 20 mm with 40.5 kg exemplifies the environmentally friendly materials and technologies presented in this exhibition, which promote a sustainable future for our nature and society.
